Junior QuickStart - QS Portable Tennis Set

Measures 33″ high x 18′ long (Item # 33150)

- If you need to set up, take down, and transport or store your QuickStart Tennis courts on a daily or weekly basis, this is the perfect system for you.
- The Douglas Junior Tennis QS system assembles and disassembles in less than 5 minutes
- Utilizing telescoping black aluminum center poles and snap lock pins throughout, this 33″ high x 18′ long system is lightweight, attractive and sturdier than most.
- With top and bottom net tension straps on both sides of the net, you get truer net and headband response.
- Plastic safety feet are included on all court contact points, and Douglas' unique center support foot extension keeps 18′ of poles from dragging on your court's surface.
- Convenient carrying/storage bag also included.
